

THINGS TO CONSIDER:

as you think about the question

SELF-REFLECTION

How do my values inform my response?

How might I contribute to this change in my neighborhood?

BIAS / JUDGMENT

What assumptions have I made about certain people because of their age, gender, sexual orientation or other characteristics?

How might my experiences affect my preconceptions on this topic?

COMMON GROUND / DIVERSE PERSPECTIVES

When am I most open to listening to others with differing opinions?

How do I respond when I don't see eye to eye with someone?
